AK LINE SUPER STRIPING PACKAGE

A line striping machine plus three cases of line paint to go with it! Recommended for parking lot owners. Includes 36 cans of paint!

Overview

The Asphalt Line Striping Package This AK Striper Package is a wonderful opportunity for those wanting to go out and market line striping services to those who need parking lines. You can charge as much as \$10 per line.

\$415.00 USD

Shipping Included (USA and Canada)

Remember, a case of 12 cans cost \$109 if you buy this package. As mentioned above -- you can do 120 parking lines at \$10 each (\$1200 total job) line with ONE case of 12 cans. Your cost is \$109, which means you can earn over \$1000 in profit in one day. A wonderful line striping opportunity.

Features

- Comfortable Handle Grip to eliminate fatigue and blistering.
- Width Lock, allows you to adjust the width of the spray from 2 inches to 5 inches.
- Rear can holder. Allows you to store a couple cans behind the sprayer as shown. Easy to access.
- Wind protector. Designed to allow you to spray during windy days.
- Can shaker on each front wheel. The cans are shaken this way and can be used right away.
- Speed Indicator built in to allow for even line coatings.
- Front red guide arrow allows straight lines.
- Heavy duty Wheels.
- Main handle bar adjuster.
- Fast clip in can adaptor for immediate spraying ability.

BRONZE LINE STRIPING PACKAGE

A road painting package ideal for entry-level line strippers that includes a line striping machine and a 5-gallon pail of yellow water-based striping paint.

Overview

The Asphalt Kingdom Silver Line Striping package is great for any entry-level line stripper looking to make money. With the included line striping machine and 5-gallon pail of striping paint, you can complete your jobs efficiently and accurately.

\$2,671.00 USD

Shipping Included (USA and Canada)

The Speeflo Titan PowrLiner 1800m is a road painting machine ideal for medium-sized parking lots and athletic fields, making it a perfect choice for anyone looking to break into the line striping business.

This 120 lb machine is easy to use due to its modular frame that lets you choose either a front or rear wheel caster configuration, its compact design, and an adjustable front tire that can lock to maintain your angle for straight, precise lines.

Furthermore, the PowrLiner 1800m's spray gun can mount on the left or right side of the machine per your preference, and this machine's accuracy lets you reduce overspray by up to 25%.

For maximum efficiency, this machine uses 5-gallon pails of striping paint. With this package you get one 5-gallon of yellow water-based paint to start you off. Want something a little more durable? Upgrade to oil-based paint for just \$19 more.

BRONZE LINE STRIPING PACKAGE

A line painting equipment package including a Wagner sprayer paint machine, 3 pails of paint, and a free set of parking lot stencils.

A deluxe line painting equipment package that includes a top-of-the-line Wagner sprayer paint machine, 3 pails of paint, and a free AK Giant Parking Stencil Kit.

\$6,445.26 USD

Shipping Included (USA and Canada)

Overview

For heavy-duty line paint jobs, you're going to need something that can keep up

and make easy profits. With this Diamond Line Painting Equipment Package, you get one of our best Wagner spray paint machines, the PowrLiner 8900xlt. The PowrLiner 8900xlt is perfect for large-scale projects such as large parking lots, airports, roads, and professional athletic fields. With a heavy-duty, epoxy-finished frame, this piece of equipment is durable against harsh solvents and corrosion.

With a 12-gallon paint hopper, doing large jobs takes less time. Another great benefit to this machine is the ability to mount spray guns in pairs, allowing you to paint double lines easily and efficiently.

This Wagner spray paint machine also has computerized pressure control, TruLine™ Floating Gun Assembly, and SureLite Headlight Kit. It's also equipped with a WideTrak™ trigger-lock for the front caster wheel to lock the unit into straight or radius modes for easy and accurate straight or rounded lines.
