

STRIPE EXTRA TRAFFIC MARKER

A long lasting traffic marking paint specifically formulated for line striping over freshly coated asphalt. Fresh sealcoat will not 'bleed-thru' this paint unlike other striping paints. Approximately 250 linear feet per can (4" wide stripe). The sprayhead is universal and works in our Z-604 traffic machine as well as competitive marking machines. For marking stencils or curbs, it can be actuated by hand or with the Z-608 traffic marking wand. Seymour's Parking Lot Stencil Kit (Z-500) is recommended. Traffic ready in 1 hour and VOC compliant.
